Goulash (Non-traditional) by Adam Ragusea

- Tomatoes - Rough wedge chops
- Bell peppers - filleted
- Onion into chunks
- Smash & peel a few cloves of garlic
- Stock of celery → Leaves as herbs finish

my spin I can add green onion add leaks

Food processor - Puree - Beef broth in mix

- Beef - Tri tip - Cut big chunks
  - ↳ Salt & Pepper season
  - ↳ Brown off, olive oil, don't crowd in pot
  - ↳ Big squeeze of tomato paste
  - ↳ Large amount of paprika
- Deglaze from puree & scrape off brown
  - ↳ use remaining of broth
- Beat egg, w/ salt, & Mix-in as much flour the scrambled egg can absorb
  - ↳ Knead w/ hand in bowl - to smooth texture
  - ↳ hydrate in fridge for 20min - cover damp towel
- Beef, Stock, Puree 5 hours, but I'll use InstaPot
- Veggies, Carrots, Parsnips, Potatoes (1.5 hr?)
- Bayleaves, Caraway seeds
- Pinch in the pastry-dough into soup/stew
- Can use fish sauce to season more
- Sour cream do top off
